SIR,

Subject : Conversion of the post of the Sub Engineer in the Trust Board Office to that of a Graduate Supervisor.

I write to state that in the executive establishment of the Trust Board, there is a post of a Sub Engineer in the scale of Rs.150-10-200 apart from the sub overseers who are in direct charge of the different mohallas and the works connected therewith. The post of the Sub Engineer was created in the Board in pursuance of G.O.No.E.10895-8/I.T.B.24-50-35 dated 25/30-1-1951 to absorb Sri P.M.Govindarajalu Naidu, who was working here as Overseer and whose services were found necessary to be continued. As he is retiring on 3-9-1954, it is now proposed to convert the post of the Sub Engineer to that of a Graduate Supervisor in the scale of -- Rs.116-8-140-10-200 with a C.A. of Rs.24/- and H.P.A.35/- so that the Graduate supervisor could perform the duties of a Sectional Officer of P.W.D, with the usual powers of check measurement as approved by Government in their order No.L.15325-7/3.T.B. 28-51-4 dated 24-3-1952 As this will facilitate the work of the Trust Board Engineer, and as this is very essential, I request that sanction of Government may be communicated to the above proposal at a very early date.
